

Broadway Infant School

Written Statement of our Behaviour Principles

Broadway Infant School is a community in which outstanding behaviour is nurtured in order to create a whole school environment conducive to maximising an individual's learning potential and achievement. It is the responsibility of all staff to ensure that all pupils of the school maintain excellent behaviour at all times. Pupils also play a key role in the promotion of acceptable behaviour.

Parent/Carer support is essential in promoting positive behaviour in pupils therefore we ask parent/carers to support us by ensuring children:

- Arrive on time and are ready to learn
- Listen to adults and follow instructions the first time they are asked
- Are polite and show care and respect to others
- Try to achieve their personal best

Aims of our Statement on Behaviour

- a) To be a school that does not tolerate abuse or bullying of others on any grounds, including ability, additional educational need or disability, age, culture, faith, gender, ethnicity or sexual orientation.
- b) To ensure that praise, encouragement and rewards are used effectively to promote achievement and to secure good teacher-pupil relationships.
- c) To develop self-discipline, self-control and a sense of responsibility for the school and its environment.
- d) To encourage members of the school to demonstrate respect and courtesy to one another and to visitors to the school and our community neighbours.

Following statutory guidance from the Secretary of State we recommend that the headteacher should cover the following in the school behaviour policy:

- screening and searching pupils (including identifying in the school rules
- items which are banned and which may be searched for);
- the power to use reasonable force or make other physical contact;
- the power to discipline beyond the school gate;
- pastoral care for school staff accused of misconduct; and
- when a multi-agency assessment should be considered for pupils who display continuous disruptive behaviour.
