

Being a successful learner at school

At Broadway children are taught the skills they need to become successful life long learners.

Our learning characters visually demonstrate these skills to the children and support them to think about their learning behaviours.

Children are rewarded with a learning character sticker if they are demonstrating the successful learning skills in school.

If your child comes home with a sticker showing one of our learning characters, see if they can explain why they have been given the sticker. 'Why have you been a... today?'

Inspiring curiosity, achieving excellence

Are you a successful learner at Broadway?

		
Skilful Squirrel	Marvellous Mole	Helping Hedgehog
		
Finding Out Fox	Resilient Robin	Problem Solving Percy

What do good learners do?

Show **curiosity** and ask questions

Have **confidence** and take risks

Use **creativity** and explore

Cooperate with others

Show **enthusiasm**

Explain their thinking

The weekly 'good work' awards are linked to being a successful learner and the new certificates show which character the children's learning success has been linked to!

Children demonstrate their successful learning skills at home too and we'd love to hear all about their achievements!

If your child has been a Skilful Squirrel and has moved up a stage in their swimming lessons or gained an award at a club—they can share this news with their classes and will receive a Skilful Squirrel sticker!
